

HACKATHON

SOLVE THE GAP ★ 48H

The Portuguese Ministry of Education and the Portuguese National Youth Council are hosting a 48-hour online Hackathon to find a digital tool to foster youth participation in Europe and tackle barriers that prevent young people from actively engaging in policy and decision-making.

DEADLINE TO REGISTER
07th March 2021

THE CHALLENGE

Young developers, social innovators and youth participation enthusiasts, are challenged to propose in 48 hours a digital tool to foster the participation of young people.

The digital event is expected to take place from **12th March at 00:00 WET to 13th of March at 23:59 WET**

A team of resourceful mentors will guide the Innovators through the different stages of the development process so the teams can work to develop a tool, to answer to one of these 5 challenges:

Are you into social innovation and youth engagement, coding and digital solutions?

Are you between 16 and 30 years old?

CALL FOR PARTICIPANTS

Are you an EU national or legally living in an EU member state?

If you answered yes to most of these questions, we are looking for your bright mind!
